

# CALL FOR ARTISTS

Maui Public Art Corps is seeking mural designs for new Fitness Courts being installed at two Maui County Parks.

For each of the two structures, the selected artist/s will receive a commission of \$5,000 to design a site-specific public artwork, which will be printed by our project partners and installed as 32-foot vinyl wraps.

Upon panel selection, the artist/s will be paired with community consultants to incorporate feedback about the history, culture and sense of place of each Fitness Court site (see map below) into their initial design.

Each project will be connected to 'ōlelo from Mary Kawena Pukui's *Ōlelo No'eau: Hawaiian Proverbs and Poetical Sayings*, in partnership with Hale Hō'ike'ike at the Bailey House / Maui Historical Society.

**DEADLINE:** July 31, 2023

**DETAILS:** [smalltownbig.org/nfc](http://smalltownbig.org/nfc)

Applications will only be received via CaFÉ ([callforentry.org](http://callforentry.org)) and will not be accepted after the deadline.
