‘ŌLELO NO‘EAU

HAWAIIAN PROVERBS & POETICAL SAYINGS

Professional artists are paired with community consultants to co-create visual, performance and experiential art installations that align with ‘ōlelo from Mary Kawena Pukui’s **‘Ōlelo No’eau: Hawaiian Proverbs and Poetical Sayings**. Through many hands and many voices, these creative interpretations represent a **revitalized identity** for this small town with the BIGGEST heart.
